Extraordinary Product Solutions

The **LEED®** green building certification program is the nationally accepted benchmark for the design, construction, and operation of green buildings. ICA is a manufacturer of products that contribute to LEED Points. 'LEED®' and related logo is a trademark owned by the **U.S. Green Building Council®** and is used with permission.

ICA is a CES provider for **The American Institute of Architects (AIA)**. We offer CE "Continuing Education" credits that architects need in order to maintain their licenses.

ICA-TILE is **Factory Mutual** approved as suspended ceiling tile installed below an automatic sprinkler system, subject to conditions of approval as listed in the current edition of the FM Approval Guide.

ICA is a proud member of the **EPS Industry Alliance**, a leading resource in the EPS business focusing on environmental responsibility and the sustainability of expanded polystyrene foam.

ICA is also certified as a women's business enterprise by the **Women's Business Enterprise National Council (WBENC)**, the nation's largest third-party certifier of the businesses owned and operated by women in the U.S. We recognize the commitment to supplier diversity that is embraced by corporations and government agencies today and can add diversity to your supply chain.

ICA's **ICA-LITE®** products comply with the following codes and approvals:

AIA (Section 702.9) Underwriters Laboratories Factory Mutual (Ceiling Tile) LEED®

Caution: All ICA EPS products are manufactured with modified (flame retardant) beads; for construction use however, they should be considered combustible.

Limited Warranty

The warranty terms contained herein shall commence on the date of purchase. All written warranties contained on the face of packages or informational brochures relating to the purchased item shall be in effect for a reasonable period of time not to exceed 90 days from the date of purchase. Insulation Corporation of America warrants this product against defects in material and workmanship by Insulation Corporation of America. During the warranty period the product will be replaced without charge or the purchase price will be refunded at Insulation Corporation of America's option. This warranty only covers defects in material or workmanship in the normal use and does not cover damages or losses resulting from accident or abuse, lack of reasonable care or other unreasonable uses. Insulation Corporation of America shall have no responsibility for the use or care of the product or for any personal injury, property damage or any special incidental contingent or consequential damages or losses of any kind resulting from defects in the product or the failure of the product to perform. The exclusive remedy for breach of the limited warranty contained herein is the replacement of the defective product or the return of the purchase price at Insulation Corporation of America's option. In no case shall Insulation Corporation of America's liability under any other remedy prescribed by law exceed the purchase price.

IMPLIED WARRANTIES (if any), including but not limited to implied warranties of fitness for a particular purpose and merchantability, are limited in duration to a period ending 90 days from the date of original purchase. NOTE: No other warranty, written or verbal is authorized by Insulation Corporation of America. Some states do not allow the exclusion or limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Notice of a consumer claim under this warranty should be directed to Insulation Corporation of America, Consumer Claims Department, 2571 Mitchell Avenue, Allentown, Pennsylvania 18103. Insulation Corporation of America assumes no responsibility and shall have no liability, consequential or otherwise, of any kind arising from the acts, omissions, information or test results and/or defects in material or workmanship, by others who have supplied material or information with respect to this product. Insulation Corporation of America will supply test result information upon written request.
