

ICA-LITE® brand expanded polystyrene insulation is a rigid, closed cell, lightweight plastic foam. It is designed for use in foundation, wall and roof insulation applications in new commercial or residential buildings. It is also used extensively in low temperature warehouses, food processing plants, agricultural buildings, and a variety of retrofit applications. **ICA-LITE® PLUS** is the same grade product with the additional benefit of an insect resistant additive. If your project requires *laminated* EPS material, please refer to our **ICA-SHEATH**. ICA-LITE® EPS meets or exceeds the requirements of **ASTM C578**, *Standard Specification for Rigid*, *Cellular Polystyrene Thermal Insulation*.

			Density (pcf)

Toxicity	Laboratory Reports	Approximately the same as burning wood, paper, or cardboard.			
Fungus & Bacterial Resistance	F.H.A. Test Procedures	Will not support bacterial or fungus growth — no food value.			

Insulation Company of America

ICA-LITE® complies with the following codes and approvals:

AIA (Section 702.9) Underwriters Laboratories Factory Mutual (Ceiling Tile) LEED®*

The **LEED**® green building certification program is the nationally accepted benchmark for the design, construction, and operation of green buildings. ICA is a manufacturer of products that contribute to LEED Points. 'LEED®' and related logo is a trademark owned by the **U.S. Green Building Council®** and is used with permission.

ICA-TILE is **Factory Mutual** approved as suspended ceiling tile installed below an automatic sprinkler system, subject to conditions of approval as listed in the current edition of the FM Approval Guide.

ICA is a proud member of the **EPS Industry Alliance**, a leading resource in the EPS business focusing on environmental responsibility and the sustainability of expanded polystyrene foam.

All **ICA-LITE®** products are Made in America and can be manufactured to meet or exceed the following Federal and Military specifications, along with others.

ASTM	C578–11b ^{E1} Types I, VIII, II & IX			
Military Spec.	MILP-19644C			
Military Spec.	MILP-40619A			
Army Corps of Eng.	CEGS 07220			
Coast Guard	CE256			
Air Force	AFM-88-15			
HUD/FHA	Use of Material Bulletin #71			
PA D.O.T. Bulletin 15	Section 1107.02(m)			

Caution: All ICA products are manufactured with modified (flame retardant) beads; for construction use however, they should be considered combustible.

Limited Warranty

The warranty terms contained herein shall commence on the date of purchase. All written warranties contained on the face of packages or informational brochures relating to the purchased item shall be in effect for a reasonable period of time not to exceed 90 days from the date of purchase. Insulation Corporation of America warrants this product against defects in material and workmanship by Insulation Corporation of America warrants this product against defects in material or workmanship by Insulation Corporation of America's option. This warranty only covers defects in material or workmanship in the normal use and does not cover damages or losses resulting from accident or abuse, lack of reasonable care or other unreasonable uses. Insulation Corporation of America's shall have no responsibility for the use or care of the product or for any personal injury, property damage or any special incidental contingent or consequential damages or losses of any kind resulting from defects in the product or the failure of the product or perform. The exclusive remedy for breach of the limited warranty contained herein is the replacement of the defective product or the return of the purchase price at Insulation Corporation of America's liability under any other remedy prescribed by law exceed the purchase price. IMPLIED WARRANTIES (if any), including but not limited to implied warranties of fitness for a particular purpose and merchantability, are limited in duration to a period ending 90 days from the date of original purchase. NOTE: No other warranty, written or verbal is authorized by Insulation Corporation of America's so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Notice of a consumer claim under this warranty should be directed to Insulation Corporation of America, Consumer Claims Department, 2571 Mitchell Avenue, Allentown, Pennsylvania or workmanship, by others who have supplied material or information wit
